**Our Teens Magazine (OTM) has launched Our Teens Magazine Support Campaign in an effort to raise funds to support the enhancement of OTM and assist our positive teens, local celebrities, and youth programs with exposure.**

**OTM is accepting advertisements, sponsorships, donations, and rewards from our local business owners, corporate community, and churches like your self. This is critical to ensure OTM continues to feature our positive local teen talent and publish a quality educational vehicle.**

**OTM has reached our goal each year to sponsor 100 teen's books for our local teens going to college and feed 3000 homeless people that requires additional funds. OTM would like your support along with us to ensure our teens a better future.**

**John and Paris, the President and Vice President of OTM with the help from our Subscribers, Advertisers, and Buyers birthed OTM into the metropolitans No. 1, hottest, local teen magazine among teens and young adults.**

**OTM would like to welcome you into the world of our TEENS! OTM will present explicit information regarding Education, Health, and Finance. OTM ultimate goal is to feature local talented teens, local celebrities, and all of our youth programs.**

**OTM is a unique magazine, like no other! OTM goal is to honor our local males, females, and children. At the same time, present knowledge on Automotive, Entertainment, Style, Sports, and local Queens & Kings of the Month that can be your child. OTM will provide more stories from different categories than any other magazine in the local area from a teen's point of view.**

**OTM is the hottest, hip-hop, local teen magazine in the metropolitan area with plans to expand publications nationally and worldly. Teens and adults can relate to it. OTM is the magazine to read for all types of hot stories. OTM will fit your style, taste, and personality. Our teens shouldn't have to rob, steal or kill to be featured in OTM. The Staff of OTM thanks you in advance for your support and allowing us to enter into your world.**
